

ASHLEY NYE

Front-end web designer, Brighton

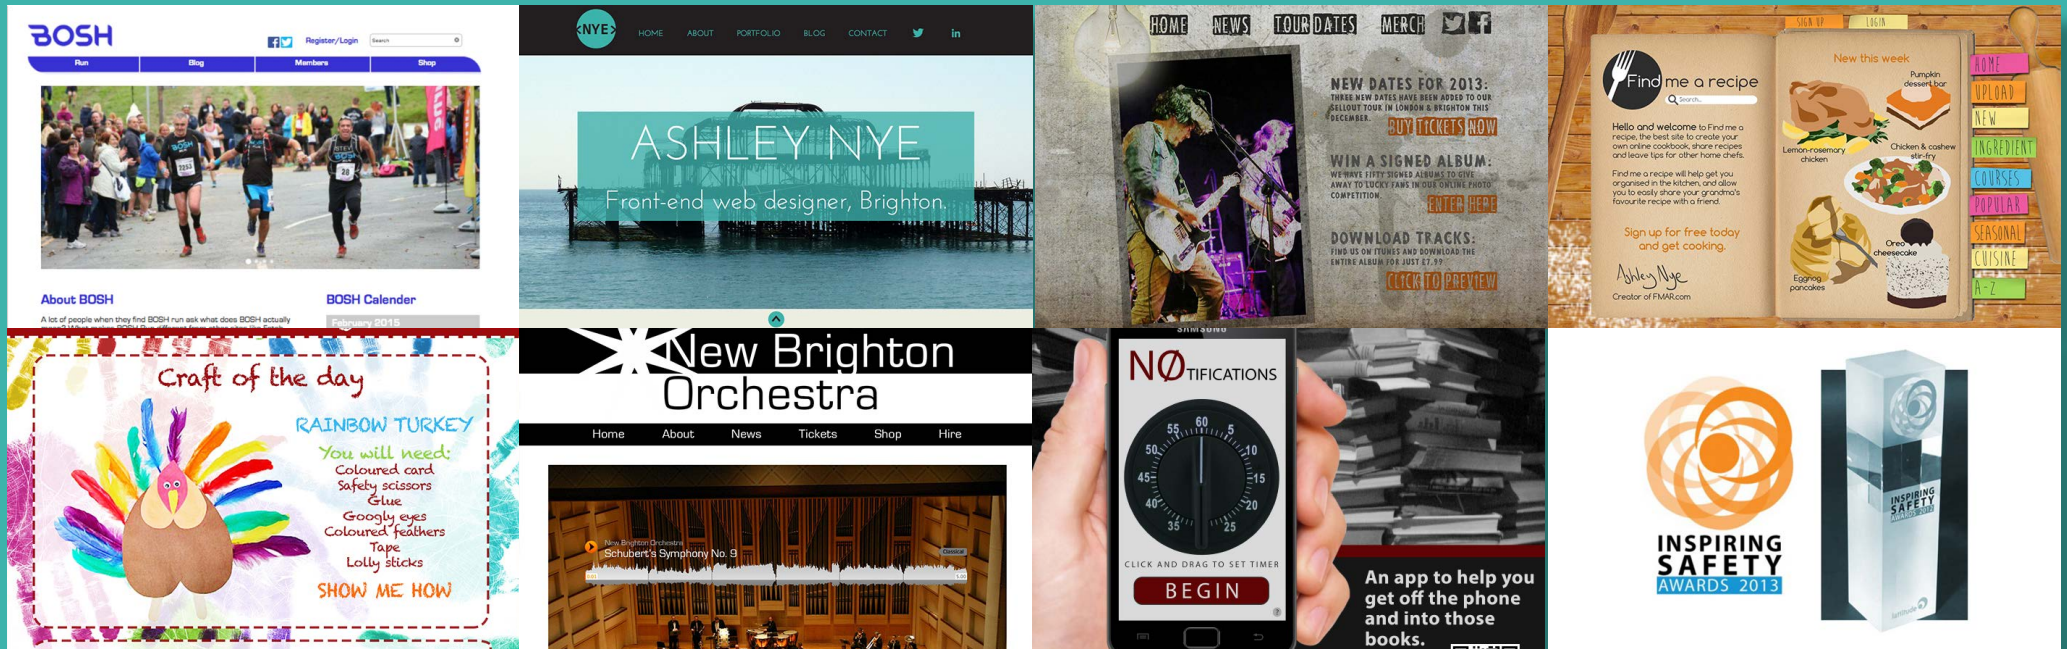

Featured

BOSH Website

This website was created for the running group BOSH, with a strong emphasis on user-centered design. To view the entire process, including extensive user research, prototyping and the final design, [click here](#).

Portfolio

My portfolio, focused on exciting visuals, contains a range of projects from website and application interface design to logo and branding projects. [Click here to view my online blog/portfolio.](#)

Contact

Ashley Nye, front-end web designer/developer based in Brighton, East Sussex.

I am passionate about clean, efficient and beautiful web design. I love a bit of **HTML5, CSS3, JQuery, JavaScript and WordPress.**

I also create logos, colour schemes, app interfaces and more. Take a look at my portfolio to find out more.
